

Declaration of consent

I, the undersigned: _____
(enter first and last name)

from the company/institution: _____
(enter the full name of the company/institution)

in which I work as: _____
(enter your position in the company/institution)

expressly state my consent to provide interview and/or complete a questionnaire for the purposes of the RICAIP project coordinated by the Czech Institute of Informatics, Robotics, and Cybernetics (CIIRC) at the Czech Technical University in Prague (CVUT).

I hereby agree:

- with active participation in the semi-structured interviews
- with the completion of questionnaires
- with the participation in subsequent discussions
- to allow the organizers collect and process my personal data

All the materials used are and remain the full and entire property of the Institute, which is freely available for all purposes within the framework of the RICAIP project. The RICAIP project is funded by the European Commission to establish an international hub for Industry 4.0 bringing new smart, safe, and sophisticated solutions to industrial multi-site production of the future by establishing a strong partnership between prominent Czech and German institutions.

I am aware that I can cancel my participation at any time. In this case, I will inform the organizers. Furthermore, I accept that the organizers can not be prosecuted in the case of possible accidents and / or personal damage while participating in the demonstrations of the exhibits.

CVUT will ensure that any comments accompanying the dissemination of the results of the interview and/or questionnaire do not in any way affect my reputation, honor or dignity; however, that I have been duly informed about the RICAIP project framework and its implications and that I am fully aware of the possible repercussions of my statements in this context. All data regarding your participation as well as that of other participants will remain confidential with the appropriate safeguards in accordance with EU regulations and other International human protection requirements .

I have read the above text and the Information sheet providing more info about the confidentiality, the purpose of the questionnaires/interviews and procedures of the personal data collection and processing. With my signature, I declare the voluntary participation on providing interviews and/or completing questionnaires for the purposes of the RICAIP project. With my signature, I also agree with the collection and processing of my personal data,

This declaration is valid for the lifetime of the RICAIP project.
